REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT

Mail Stop Patent Ext
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Patent Application Information Retrieval (PAIR) system indicates a patent
term adjustment that was calculated by the U.S. Patent office pursuant to 37 C.F.R.
1.701 of 786 days.

Applicant's Attorney believes that the patent term adjustment should be 1244 days. For the reasons stated herein, reconsideration of the patent term adjustment is respectfully requested pursuant to 37 C.F.R. 1.705(b). Please charge any additional fee required or credit for any excess fee paid to Deposit Account No. 23-1925. A duplicate copy of this Petition is attached.

The present application is not subject to a terminal disclaimer. In addition, there were no circumstances during the prosecution of the application resulting in the notice of allowance that constitute a failure of the Applicant to engage in reasonable efforts to conclude processing or examination of the present application as set forth in 37 C.F.R. §1.704.

Period of adjustment pursuant to 37 C.F.R. § 1.703(a)(1)

The period of adjustment pursuant to 37 C.F.R. § 1.703(a)(1) is the number of days in the period beginning on the day ("the 14 month date") after the date that is fourteen months after the date on which the application was filed pursuant to 35 U.S.C. § 111(a), or fulfilled the requirements pursuant to 35 U.S.C. § 371, and ending on the date of mailing or either an action pursuant to 35 U.S.C. § 132 or a notice of allowance pursuant to 35 U.S.C. § 151, whichever comes first.

The PTO calculation of the period of adjustment pursuant to 37 C.F.R. § 1.703(a)(1) indicates, as shown by the PAIR PTA adjustment history, an adjustment of 811 days (14 months after the filing of the application on October 16, 2003 to the mailing of the first Office Action on March 7, 2007).

Period of adjustment pursuant to 37 C.F.R. § 1.703(b)

The period of adjustment pursuant to 37 C.F.R. § 1.703(b) is the number of days in the period beginning on the day ("the 3 year date") after the date that is three years after the date on which the application was filed pursuant to 35 U.S.C. § 111(a) or fulfilled the requirements pursuant to 35 U.S.C. § 371.

The present application was filed on October 16, 2003. The 3 year date specified in 37 C.F.R. § 1.703(b) is October 16, 2006. A Request for Continued Examination (RCE) was filed on December 3, 2007. The difference between the 3 year date and the RCE date is 413 days.

Additionally, as shown by the PAIR PTA adjustment history, the PTO delayed in issuing the Patent, which caused 45 days of delay.

Reduction in Period of Adjustment pursuant to 37 C.F.R. § 1.704(b)

Pursuant to 37 C.F.R. § 1.704(b), the period of adjustment shall be reduced by the number of days, if any, beginning on the day after the date (the 3 month date) that is three months after the date of mailing or transmission of an Office communication notifying the applicant of a rejection, objection, etc., and ending on the date a corresponding reply was filed.

The PTO calculation of the period of reduction of adjustment pursuant to 37 C.F.R. § 1.704, as shown by the PAIR PTA adjustment history, is 25 days.

Total Patent Term Adjustment

For the present application, the total patent term adjustment pursuant to 37 C.F.R. § 1.703(f) is the period of adjustment pursuant to 37 C.F.R. § 1.703 reduced by any delays pursuant to 37 C.F.R. § 1.704. Thus, according to our calculations, we believe that the patent term adjustment should be at least 811 days + 413 days + 45 days – 25 days = **1244** days.

It is respectfully asserted that the patent term adjustment determined by the U.S. Patent and Trademark Office for the present application may not be correct. Accordingly, Applicant's Attorney respectfully requests the U.S. Patent and Trademark Office to reconsider, and make revisions to the PAIR system Patent Term Adjustment History in view of the previous remarks. In addition, it is respectfully requested that the patent term adjustment be re-calculated by the U.S. Patent and Trademark Office in view of the above remarks. Office personnel are invited to contact the undersigned attorney for the Applicant's Attorney via telephone if such communication would be beneficial in fulfilling this request.

Respectfully submitted,

/Gustavo Siller, Jr./
